FEIS ELDS SEIS USACE meeting v82316(mpc).pptx

Thanks, Jeannie. I inserted the slides 2-6 we used for Curt's briefing in place of the older versions, and I really like the alternative site slides. I also moved the SC/RDT slide to the end, to discuss after the main discussion on the eastern site. My only other question is on the "Schedule" slide. It says September 14 for NY CZMA concurrence, but we didn't submit our federal consistency determination until July 20 – count 60 days and it's September 18 (a Sunday) or 75 days (counting their automatic 15-day extension should they request it) and it's October 3. Should we be conservative and revise to that date? Thanks again.
